

“Do I feel lucky?” *Fun Fly*

Joint Wright and Phantom Flyers Fun Fly

August 5 at Phantom Flyers Field

Events will include:

- 1) Timed taxi around pylons
- 2) Minimum time to take-off, perform a specified number of loops and land
- 3) Closest to specified time from take-off to landing – BUT no timers for the pilot!

It is vaguely possible ... somewhat likely ... entirely certain that I've not yet given you all the rules.

“Well, do you punk?”

Open Flying begins at 9:00 and the “lucky” part, a little later.

Directions: From I-370, take Hwy. 94 North. Drive 3.9 miles and keep right to Missouri Highway H (MO-H). In 1.1 miles turn right onto Tower Line Road. Follow for 2.9 miles and turn right on gravel road to the field.
